Nicole,

What is the status of the security camera list/installation?

Here is an email that I received from Liz Johnson.

Lorena,

That would be great! We do have cameras back there but they are not that high res and more at other angles would help. Also someone to monitor them would help! But I'm out of town until June 11. If it can't wait please ask them to talk with my assistant Jenny Sova, cc'd here.

Thank you!

Liz

Hi Liz,

I just wanted to send you a quick note regarding a meeting we had at the City Council office. There is a security company that has offered to put up a few cameras around San Pedro free of charge. Nicole is working on that project. I suggested that the alley behind the Warner Grand be evaluated based on your comments at the last meeting.

They most likely will be contacting you. They will also need a source with internet, etc.

Let me know how it turns out or if you haven't heard from them in the next couple of weeks.
